Introduction

The Gruppo Veronesi companies are strongly committed to protecting privacy. They recognise the importance of maintaining the confidentiality, integrity and security of personal data in accordance with national and Community data protection laws and instructions issued by the relevant authorities. We place particular emphasis on ensuring that this data is correct, legal, transparent, and protected.

The following is our privacy policy concerning the personal data of customers and/or suppliers dealing with Gruppo Veronesi companies.

This information is provided under article 13 (and article 14 where applicable) of EU regulation 2017/679, the general data protection regulation (GDPR). It describes the general principles we follow, and may be complemented by additional information provided as part of contractual documentation.
